RESHAV KHUTIA

Bangalore | **Phone**: +91 9749432010 | **Email:** rishavkhutia@gmail.com | **LinkedIn** | **GitHub** | **Portfolio**

OBJECTIVE

Motivated **Java Full Stack Developer** with a strong foundation in **Java, Spring Boot, React.js, REST APIs and SQL** for database management. Solved over 200 DSA questions on **LeetCode**, enhancing problem-solving skills and algorithms.

SKILLS

Languages: Java, J2EE, JavaScript, HTML5, CSS3
Frameworks: Spring Boot, Spring MVC, React.js
Databases: MySQL
Tools: VS Code, IntelliJ IDEA, Postman, Docker, Git, Maven
Web Technologies: REST APIs, JSON, JWT, JSP/Servlets, Microservices

PROJECTS

Smart Inventory & Stock Management System | Link   Feb 2024

- **Description**: Developed a full-stack inventory management system that tracks products, suppliers, and stock levels. Implemented user authentication and role-based access control.
- **Technologies**: Java, Spring Boot, React.js, MySQL, JWT
  - **Implemented CRUD operations** for inventory items, suppliers, and orders, ensuring efficient data management and system functionality.
  - **Developed an Admin Dashboard** for comprehensive stock level management and order fulfillment, enhancing operational oversight and efficiency.
  - **Designed and optimized a responsive user interface** with data visualizations using React.js and Tailwind CSS, improving user experience and accessibility across devices.

AI-Based Fitness Trainer Web Application | Link   Apr 2024

- **Description**: Built a fitness trainer platform that offers personalized workout plans and tracks users' progress using AI algorithms.
- **Technologies**: Java, Spring Boot, React.js, MongoDB, TensorFlow.js
  - **User Registration & Authentication** Implemented secure user registration and authentication systems.
  - **Workout Plan Management** Developed comprehensive workout plan management features, including creation, modification, and tracking.
  - **AI-Driven Workout Recommendations** Integrated AI algorithms for personalized workout recommendations based on user data and preferences.
  - **Real-Time Progress Monitoring** Engineered real-time progress tracking with interactive visual charts and data visualization.

INTERNSHIP

AvTechfin, Delhi
Software Developer Intern   June 2024 – Present

- **Completed Developed Web Applications**: Contributed to the development and maintenance of web applications using Java and Spring Boot. Implemented new features and fixed bugs under the guidance of senior developers.
- **Agile Methodologies**: Gained hands-on experience with Agile development methodologies. Participated in daily stand-up meetings, sprint planning, and retrospectives, contributing to efficient project management and delivery.
- **Collaborated with Cross-Functional Teams**: Worked closely with cross-functional teams including UI/UX designers and backend developers to ensure seamless integration of front-end and back-end functionalities.

EDUCATION

Bachelor of Technology in Computer Science   2019 – 2023
Templecity Institute of Technology & Engineering, Bhubanesware

- **CGPA: 7.9**

CERTIFICATIONS

- **Java Full Stack Development Certification** – Vinsys It, Generation India   2023 – 2024
- **Spring Boot & React Certification** – CodeAcademy   Jan 2024
